Announcement – Changes to Membership Categories

The Kelowna Flying Club is pleased to announce some exciting changes to the structure of the Club Membership Program! These changes are part of several new initiatives we are working on to improve your Membership Benefits as well as achieve our Club goal to:

- ✓ Get people Flying
- ✓ Provide Networking and Social Events
- ✓ Increase Aviation Awareness
- ✓ Provide Aviation Safety and Education Opportunities
- ✓ Be Active in General Aviation Advocacy

One of the strengths of the Kelowna Flying Club is the passion we all share for aviation. We want to make sure that we support you in making aviation a family activity. The changes we've made to the pricing and structure of the Membership Program is just one way for us to grow our General Aviation Community and attract others with an interest in aviation. Here is a look at the new Membership Program:

- **Regular Membership** - \$75 per year (Unchanged)
- **Spousal Membership** - \$25 per year (Previously was full membership rate. Requires a spouse/partner registered as a Regular Member.)
- **Additional Family Members** - \$25 per year (Previously was full membership rate. Family member must be must aged 16 to 24 and requires a parent/guardian registered as a full member.)
- **Student Membership** - \$37.50 per year (Rate unchanged, however applies to students either enrolled in full-time school or currently enrolled in aviation training that do not have other family members registered. If a parent/guardian is registered, then "*Additional Family Member*" rate applies to those under the age of 25.)
- **Corporate Membership** - \$250 per year (Rate increased, however we have added several features to the Corporate Membership Program to improve value to Corporate members.)

Notes:

- All memberships have voting privileges
- Persons over the age of 25 register as Regular Member (other than Spouses/Partners)
- Persons under the age of 16 may attend events with a parent/guardian without a membership, but have no voting privileges
- Memberships run from April 1st, to March 31th, annually
- These changes will be made to the Club Website PayPal feature soon
- Review the Member Benefits Package here: <http://www.kelownaflyingclub.com/member-benefits.html>

Thank you for being a member of the Kelowna Flying Club! We hope these changes help you share your passion for aviation with your family. We are excited to see them at the next meeting!

Yours in Aviation,

The Kelowna Flying Club Executive
